Data Sources

- Nutrition Surveys, ZIMVAC, ZDHS, FAO/WFP Surveys, ZVITAMBO studies, MIMS

Questions for other countries and Experts

- How we can get the fortification formulator.
- Fortification of complementary foods in other countries?
- Does general fortification reduce stunting in $\leq 5s$?
- Copies of fortification manuals from other countries?

Lessons Learnt

- We can start from where we are to achieve fortification objectives.
- NaEDTA can be used for iron fortification.
